Lumbini I.C.T. Campus - Gaindakot, Nepal

Currently studying

Projects

1. The Online Liquor Vault

Laravel, MySQL, Tailwind CSS

<https://github.com/nabinn10/Ecommerce-The-Online-Liquor-Vault>

Jan 2024 – July 2024

Developed a complete e-commerce web application for selling alcoholic products

Implemented user login, product filtering by category, cart, order placement, and payment integration (eSewa & COD)

Built an admin dashboard to manage products, banners, users, and order statuses

Designed a modern UI using Tailwind CSS and Boxicons; ensured responsiveness across devices

Added features like stock management, discounts, and visual sales reports

2. Event Booking System

Laravel, MySQL

<https://github.com/nabinn10/Event-Management>

July 2024 – Dec 2024

- Developed a web portal for booking and managing event tickets
- Created admin functionality to add/edit events and track bookings
- Enabled user-side booking with confirmation and status history
- Focused on efficient database interaction using Laravel Eloquent

3. Appointment Booking System (Dental & Tattoo Site)

Laravel, MySQL

<https://github.com/nabinn10/Dental-Site>

<https://github.com/nabinn10/Tatto-Site>

January 2025 – March 2025

- Designed a responsive online system for booking appointments
- Created separate admin and user interfaces for appointment creation and management
- Implemented form validation, date-time selection, and booking status tracking

4. Forum Question Platform

Core PHP, MySQL

April 2025 – July 2025

- Built a basic Q&A forum where users can post questions and responses
- Developed login system, thread categorization, and discussion layout
- Handled back-end operations using raw PHP and SQL queries

5. Bombay Hotpot

Laravel, MySQL, Tailwind CSS

bombayhotpot.com

July 2025 – Sep 2025

- Developed a complete restaurant management system with menu browsing and category filtering
- Implemented user features: login, cart, order placement, and payment integration

- Built an admin dashboard for Menu, Items, Banner, User, Order, along with Points management
- Added discount management, and order status updates (pending, processing, completed)
- Integrated reporting features with visual sales analytics for admin insights
- Designed a modern responsive UI using Tailwind CSS and Boxicons

Extra-curricular activities

- Participated in Utech Hackathon Beta (First Position) Volunteered for community service and charity events,
- Served as a Mentor in Aroma Hackathon (Cyber Utsav 2.0)

Hobbies

Enjoy exploring different places with friends, often traveling by bike or bus

Like experiencing new environments and local spots through group outings

Playing games like Cricket and Badminton

Personal Information

- Date of Birth: 01/17/04
- Place of Birth: Gaindakot, Nawalpur
